

## ***Trinity Church Council Update***

The members of Trinity have made this church what it is today.

You are all very much appreciated and important to the future of our mission.

We would like to share an update on the strategic plan and next steps for Trinity.

**Pastor search** - our congregational profile has been provided to the Synod and the search committee has received three potential candidates. Interviews pending.

**Strategic plan** – we have considered moving forward with a strategic plan for Trinity but feel the best option is to call a Sr. Pastor and acknowledge their gifts. The strengths for our new pastor that we prefer include meaningful & relevant worship, youth & family support and ministry, and nurture our community.

The **capital campaign** is still active. The property, learning, and worship committees are continuing to make progress with the building improvements to Cloud 9, Kitchen needs, technology, air handlers in the Sanctuary, update the generator (\$14K), masonry repair (\$15K), and staff support.

An **Alternative** Service is a priority. In coordination with our future leadership, we hope to have a strong alternative service at a different time than our traditional service which continues with strong music and relevant ministry. The return of the Saturday evening service is still being considered. Currently, the sound system in the chapel is not functioning.

**Small groups** – our congregation has tremendous diversification of interests and talents. A few small groups have been started and there are many more opportunities. Currently, it seems reasonable to begin adding additional groups with specific interests. We look forward to these groups enjoying their passions! Notice about the groups will be in the Thursday email and Sunday bulletin.

Feel free to reach out to any council member with questions and/or comments.

We appreciate the opportunity to serve the congregation of Trinity!

### **Trinity Church Council**

*Kathy Ashway, President*

*Gloria McCauley, Vice President*

*Joyce McDonald, Secretary*

*Denise Barrows    Ray Brindle    Laura Pierce*

*Evan Sutton        Dave Wenerd    Wallace Whitworth*
