EMERGENCY CONTACTS

There are times when it would be very helpful for us to have a list of individuals to contact in an emergency for our members who do not have a Trinity member to get in touch with in

an emergency. This might include one or more non-Trinity family members or perhaps a neighbor.

If you are willing to fill out this form with the requested information, please place it in the offering plate or return it in person to the church office. Pastor Ruth will manage this list of emergency contacts and a confidential copy will also be maintained in the church office.

Thank you for giving this your consideration. And, please let Pastor Ruth know if you have any questions or thoughts to share.
