Pentecost 25

- Today is the **25th Sunday** after Pentecost.
- The season after Pentecost celebrates the **Holy Spirit** at work in our world.
- During the season after Pentecost, the Holy Spirit is at work **in our hearts**.

The color of Pentecost is green, like the leaves of a tree. Color in everything that should be green.

“The widow gave the only two coins she had and kept quiet about it. She shared everything.”

Mark 12:41 says that the widow put in two small copper coins. They were not worth much, just like pennies.

Ask an adult for a penny, then put it over the circles to see which ones are the size of a penny. Color those two circles in.
